

## GREEN AWARD

*Color A4 MFP, 30-39 ppm*

Our analyses of the green credentials of this machine included its power consumption, emissions and consumables lifetimes.

Cesson-Sévigné, France on June 21st, 2019.

**Edward Bilson**  
Technical Director

**Frédérick van Gorkum**  
CEO

**DataMaster Lab** is completely independent and objective.

**DataMaster Lab** is the only European test laboratory specializing in the world of digital printing: printers, photocopiers, MFPs/MFDs, digital presses, and related software solutions. No revenue is derived from testing. All of the **DataMaster Lab** awards are derived from tests carried out by our own test teams.
