# DATAMASTER LAB AWARDS 2019

# BEST FIRST COPY OUT TIME

## *Color A3 MFP, 30-39 ppm*

This award is given on absolute results - the time it takes to deliver the first sheet in a simple copy job on a machine in a ready state. This machine does not keep its users waiting.

INDEPENDENT LABORATORY
the printing solutions experts

**DataMaster Lab** is completely independent and objective.

**DataMaster Lab** is the only European test laboratory specializing in the world of digital printing: printers, photocopiers, MFPs/MFDs, digital presses, and related software solutions. No revenue is derived from testing. All of the **DataMaster Lab** awards are derived from tests carried out by our own test teams.
